

30 YEARS OF TRAVEL EXPERIENCE
30 YEARS CREATING MEMORIES

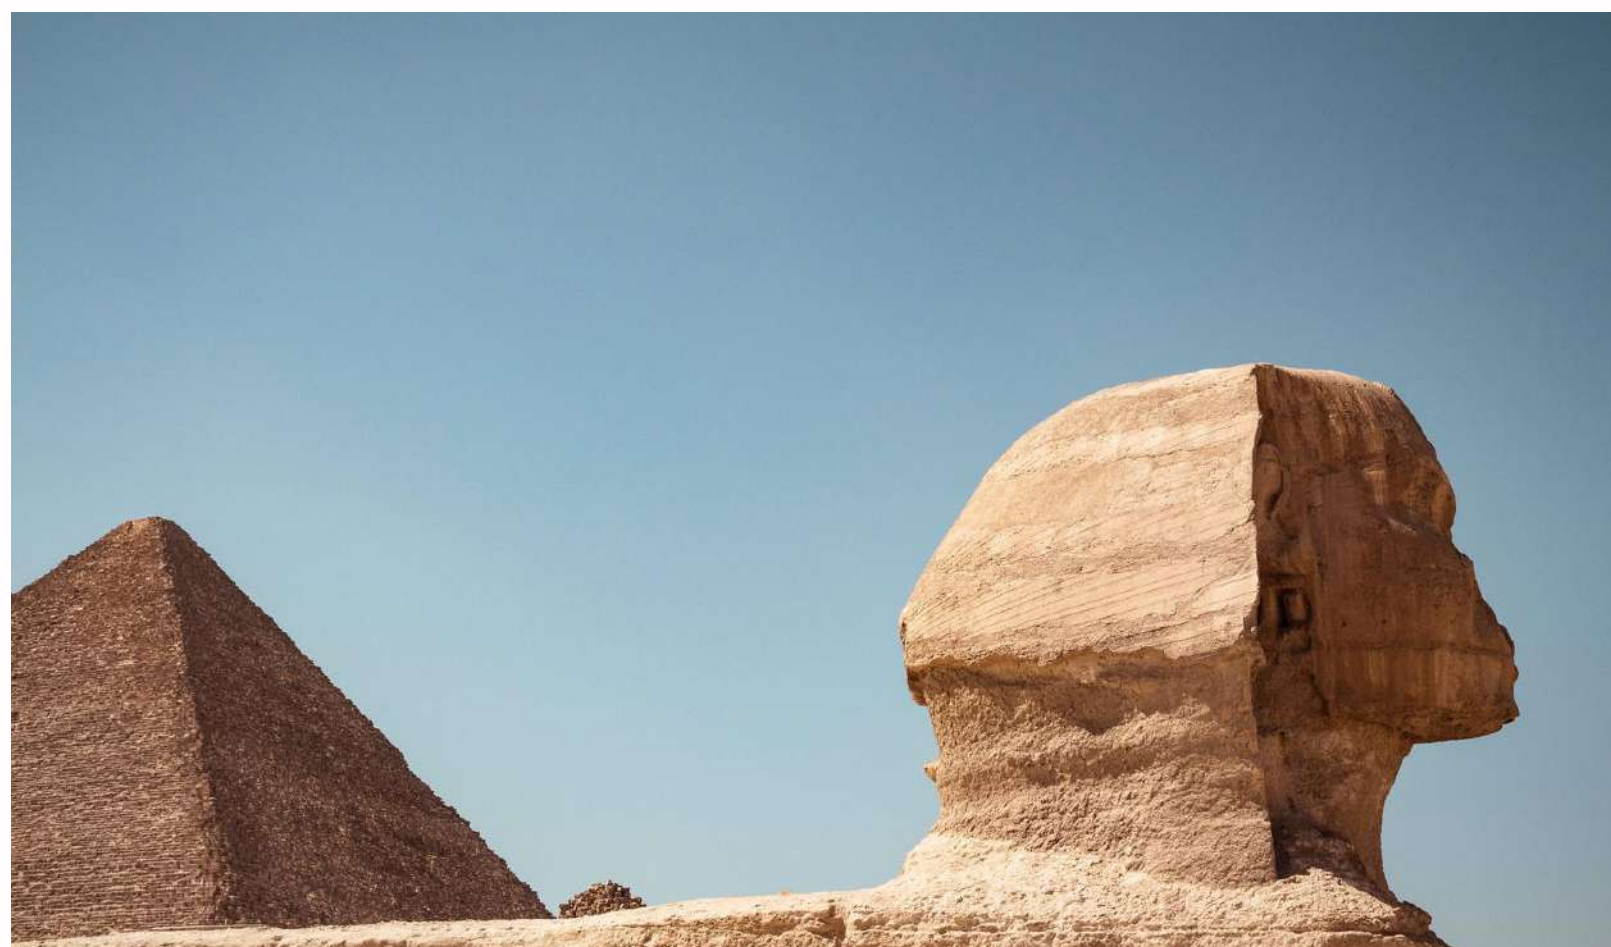

OUR STORY

WHO IS GALAXIA GROUP?

Galaxia Group is a group of companies that work to provide a variety of services in the tourism sector throughout the Middle East.

- In 1989 we were just a small startup, today we are a collection of companies with offices in Egypt and Dubai and representations spread around the world to offer our customers the highest standards of service and meet the needs of all kinds of travelers: from luxury holiday seekers to low-budget backpackers.

Galaxia Tours is our first and main brand that was founded in 1989 under the idea of providing a quality service to travelers who wish a cultural and historical experience.

We offer five-star travel solutions and complete vacation packages for the Middle East, with the promise to our customers of an authentic, luxurious and deeply memorable experience.

Member of Galaxia Group

Galaxia MICE was born in 1992 as a result of pressure from our clients to provide a specialized service for incentive groups and corporate trips.

We are currently considered one of the best MICE agencies in the region and have made the planning of events and incentives an art that we have been perfecting for more than 20 years.

In 2003 we carried out the purchase of the 5-star floating hotel Amarco I.

For several years it was chosen as the best ship of the Nile and currently continues has been totally renovated in November 2018 and the name changed to ACAMAR.

The Travel Express brand was created in 2008 in order to meet the growing demand for cheaper products in the market.

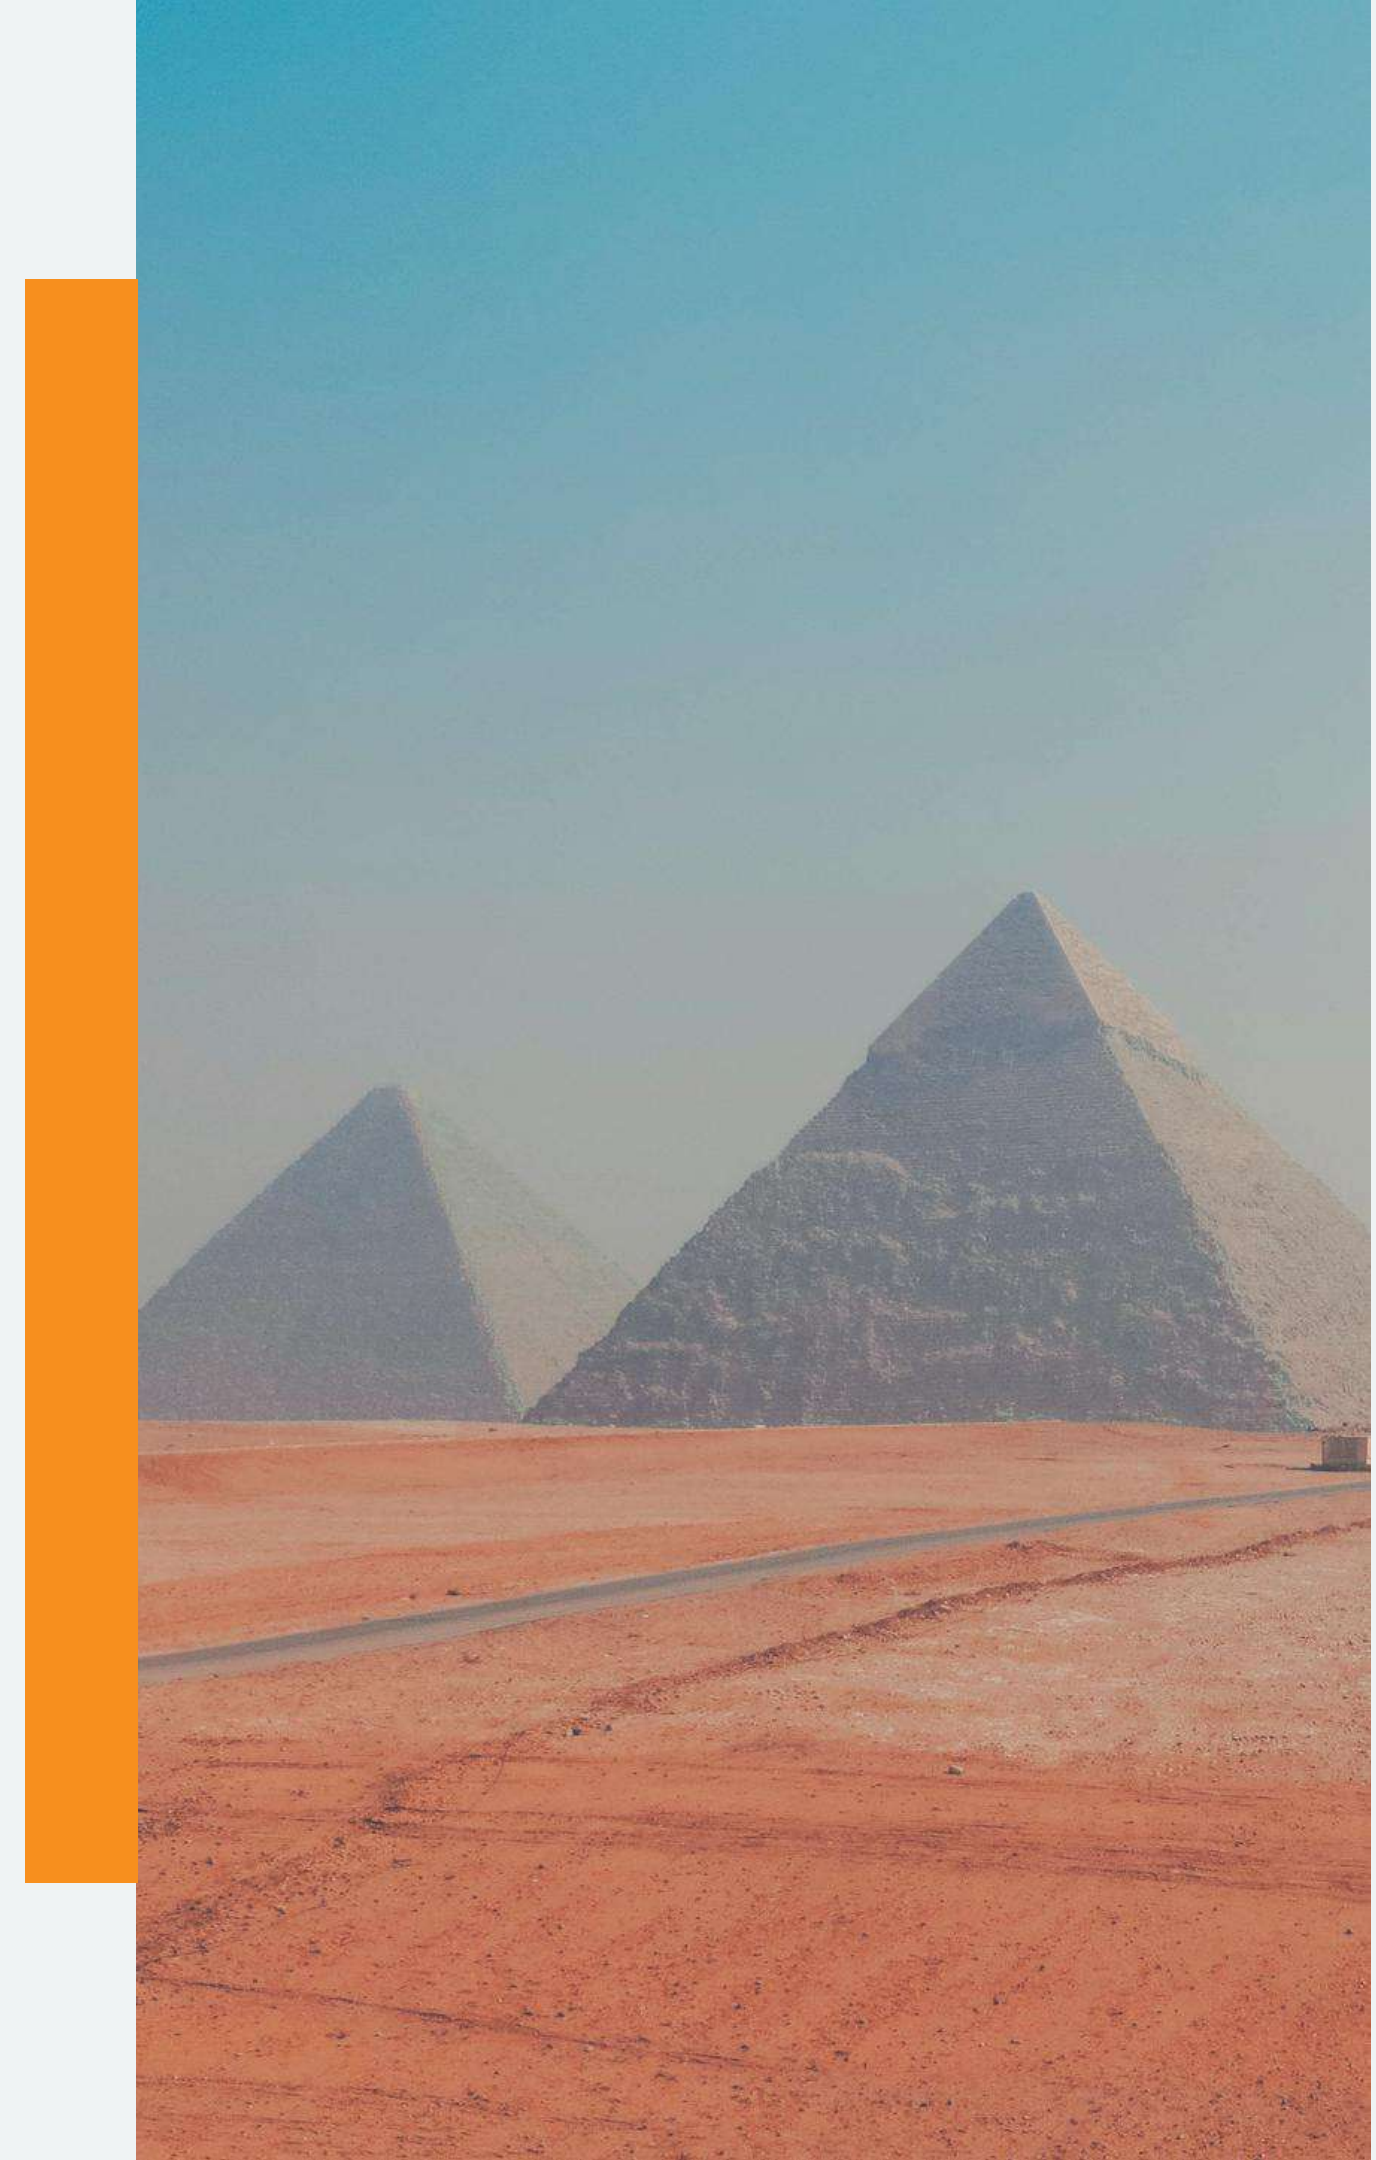

Travel Express products focuses on low-cost products in countries with high growth potential seeking long-term relationships and partnerships.

Having Spanish, English, Chinese and Russian-speaking staff plus the flexibility and professionalism of our workforce are the key to attracting and retaining new customers.

EGYPT

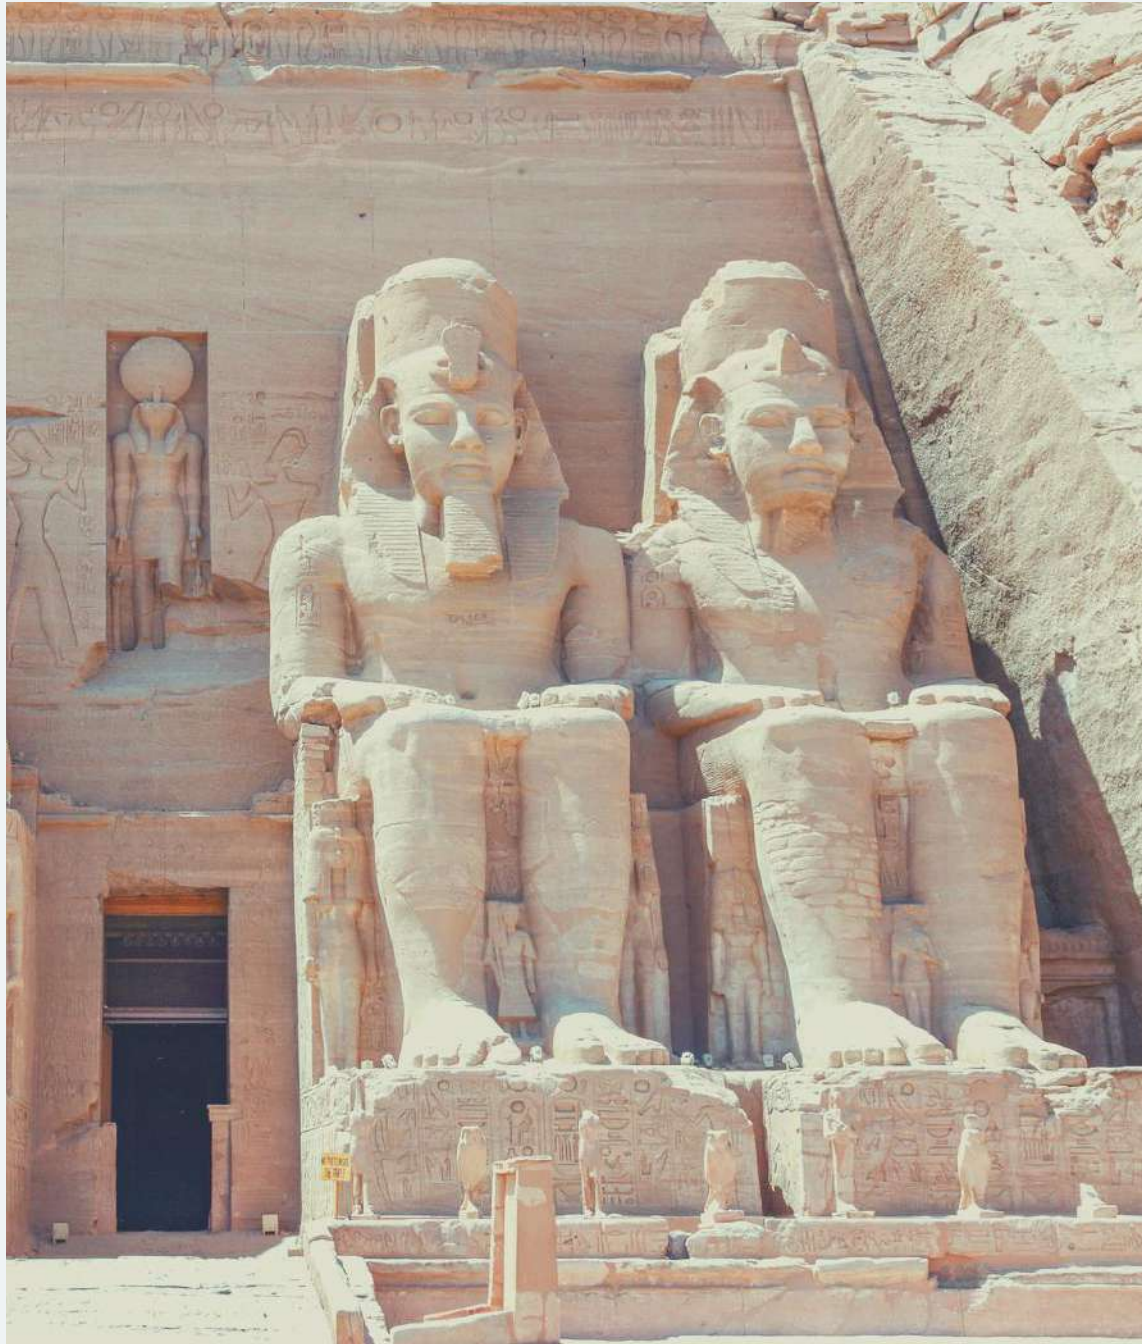

Egypt is a country of two worlds: the modern and the ancient. It became a melting pot of cultures as Greeks, Romans, Ottomans, Persians and Arabs all contributed to the evolution of Egypt as the country it is today.

Egypt is flocked by tourists all over the world for offering the most unforgettable Middle Eastern experience in a quintessential sense from lavish wonders of the world antiquities, beautiful natural landscapes and a booming modern city nightlife.
